Spread the Chapter

Last fall, a number of members attended the Buffalo Launch Club Boat Show wearing our Club shirts---and making a statement. This year the Club is requesting members to consider attending a neighboring chapter boat show. Two shows occur prior to our show: The Allegheny Chapter at Conneaut Lake, PA on the 27th of June & the Portage Lakes Show in Akron, OH on the 27th of June as well. We will have flyers of our boat show available for distributing. Also on the 17 -19th of July is the Hammondsport, NY show and again the Buffalo show on the 11th- 13th of September.
