A GOOD TIME BY ALL

The “*second happening*” Snow Flake Gala was attended by ~ 30 members, spouses and guests. As Phil Stand was itching to leave to tend his dogs, he won the door prize, a set of coasters designed and made by Andy Robinson. The weather cooperated with blue sky and sun which sparkled off the show---just like in the movies. Such an event can’t be concluded without a repast in the bar for liquid embellishment and music.

REMINDER

If you haven’t, you need to get a picture of your “choice” boat to Dave Williams for inclusion into the 2010 Club directory. Dave has requested pictures by February 15th. Remember---Not you portfolio folks, just one picture!

NEWS ON THE LAKE

Chuck Pringle, a Club member, became a co-owner of Holiday Harbor. In talking to Chuck, he has a number of ideas for the marina to enhance its long tradition and also to combine synergies with our Club. Speaking for the Club, hats off to Chuck and the best.

UPCOMING EVENTS

The Mt Dora Boat Show sponsored by Sunnyland Chapter Antique Boat Club will be held in Tavares, FL and is scheduled for March 25 – 28. Members attending previous shows always mentioned that this show is the “premiere” Boat Show. For those Club members attend this year’s event, you are invited to an open house with cocktails and bits at Phil & Lana Andrews’ Condo. Those interested can contact Phil at cord810@aol.com.

CLUB EVENTS

A Seminar: Plans are under way to have a Club meeting in April. We are shooting for a Saturday afternoon, date yet to be determined---probably toward the end of the month. We will have one or two guest speaker(s) to discuss the revised ACBS judging criteria for boat competition. As plans are finalized, information will be passed on.

Our Club event hallmark: Initial planning has begun for our annual Boat Show. Working off last years show, we want to repeat the strong points and shore up other areas. We would like to solicit more marine vendors and donations. To repeat last year's success and make improvements, hands are needed; your hand.

We are looking for:

- hands to help man the docks during the show,
- hands to solicit donations this spring,
- and hands to staff our Captains Table.

We also are interested in initiating two new activities and looking for hands.

- One, a Chinese auction,
- Two, a mailing undertaking to solicit boat vendors, suppliers and restorers.

In looking at Chinese auctions and mailings at other Shows, the successful shows have the ladies handling this---the ladies seem to run circles around the gents---sorry gents!

Volunteers are needed! Contact the show chair, Tony Hopfinger at ahhkah@aol.com to identify your choice.

You will note that attached to this emailed newsletter, is a flyer of our upcoming Boat Show. Please feel free to make copies and distribute it to members of other clubs and any vendors, suppliers or workshops that you attend---just another way we can make our upcoming show a success.
